| <input type="checkbox"/> Acids | <input type="checkbox"/> Caustics | <input type="checkbox"/> Paints |
| <input type="checkbox"/> Lacquers | <input type="checkbox"/> Epoxy Coatings | <input type="checkbox"/> Welding Electrodes |
| <input type="checkbox"/> Welding Gases | <input type="checkbox"/> Mastics | <input type="checkbox"/> Insulating Materials |
| <input type="checkbox"/> Anti-Condensation Coatings | <input type="checkbox"/> Other, please specify: _____ | |

PROVIDE AN MSDS FOR ALL MATERIALS CHECKED ABOVE

(This Waste Management Plan is not complete unless all MSDSs have been submitted)

3) Will you be using any hazardous materials, chemicals or mixtures obtained by AECI? (You must check one) Yes or No

4) Will you be generating any waste other than routine trash or scrap metal? (You must check one) Yes or No

IF THE ANSWERS TO QUESTIONS 2, 3 AND 4 ARE NO or NONE, SKIP TO THE BOTTOM AND SIGN & DATE THIS DOCUMENT.

IF THE ANSWER TO ANY OF THE QUESTIONS IS YES OR IF ONE OR MORE OF THE LISTED MATERIALS ABOVE ARE CHECKED, FINISH THIS FORM IN ITS ENTIRETY.

CONTRACTOR'S MATERIAL AND WASTE MANAGEMENT & DISPOSAL PLAN

- 1) Indicate which materials contain Toxic Chemicals pursuant to Section 313 of the Emergency Planning and Community-Right-to-Know Act and the quantity of each Toxic Chemical to be brought on-site. Check Attached or None. Attached
 None
(Web Site for 313 chemicals www.epa.gov/tri/chemical/index.htm)
- 2) Provide the quantity of those Toxic Chemicals, as provided per Item 3 above, used on the project and their intended disposition (e.g. used in paint, used as a lubricant, present in construction materials, disposed of off-site in landfill, containerized for proper shipment and disposal, etc.) Attached
 None
- 3) For materials that are brought on-site in bulk quantities or are highly hazardous chemicals (29 CFR 1926.64), attach a plan for how the material will be managed while on-site. (Example: spill prevention measures, security.) NOTE: secondary containment required for oil/petroleum containers \geq than 50 gallons & a written SPCC Plan required for oil/petroleum in your control \geq 1,320 gallons.) Attached
 None
Attach a copy of the management and/or SPCC plan to this form.
- 4) Will either of the following be generated as a result of work to be performed? Yes
Check all that apply: No
 None
 Hazardous Waste(s)
 Other Wastes
- 5) If yes to Item 4. above, please identify and describe how hazardous waste(s) and/or waste(s) will be managed? (Example: describe how waste(s) will be collected, containerized, disposed of, where disposed, where empty product containers shall go, other as applicable.) NOTE: Any and all quantities of hazardous waste(s) generated are to be segregated from solid waste/trash. Attach a copy of how the wastes will be managed to this form. Attached
 None
